

INSTITUTE OF FORMATION FONDACIO ASIA

SCHOLARSHIP APPLICATION FOR SCHOOL YEAR 2019

SCHOLARSHIPS

Every year IFF Asia fund raises to enable a maximum number of persons to have access and benefit from the formation programs we offer. We act in faith, and our philosophy is that money should not be an obstacle for education and personal development. Hence, we subsidise much of the program costs.

Thus, we request all applicants to take some initiatives and sacrifices to raise the required fees as commitment to their academic studies and transformation.

Over and above this, if an applicant still finds it difficult to raise the fees and need assistance, they can kindly fill in the form below, have it signed and submit to the Director's office by 1st September 2018. After deliberation by the management committee, you will be informed of the outcome.

Scholarships are always limited and will be granted to applicants who are deserving and on a case-to-case basis. IFF Asia scholarships covers only the Tuition Fees, Food & Lodging. The cost of airfare, visa and pocket money is not included in the scholarships.
